

WGI COLOR GUARD CONTEST RULES

2023

WGI discourages independent groups from utilizing high school students who were previously enrolled in an active high school program and have not yet graduated.

WGI also discourages independent groups from utilizing participants who have outstanding monies owed to a previous group.

WGI strongly recommends that participating groups and their directors/staff use the utmost caution and forethought in planning and use of props that might place participants (and others) in potential danger during assembly or use.

WGI strongly recommends that all participants wear protective footwear while outside the performance area.

1.0 ELIGIBILITY

- 1.1 Color guards in the Independent A Classes from the United States composed of performers not over 22 years of age as of 12:01 a.m. on April 1, 2023, shall be permitted to compete in contests governed by WGI. Independent Open Class color guards from the United States may utilize performers not over 23 years of age as of 12:01 a.m. on April 1, 2023. Independent World Class Color guards may compete with performers of any age. Each color guard appearing in a WGI contest shall be prepared to show proof of age. International independent color guards are not bound by any age limit except for U.S. citizens performing with that group. U.S. citizens performing with an international group may not exceed the age allowed for that classification.
 - 1.1.1 U.S. Military veterans may be granted one (1) year of eligibility immediately following their end of active service. To qualify, individual must have enlisted prior to their 19th birthday, served for no less than four (4) years, and must have been honorably discharged or medially separated. Veteran must submit a copy their discharge papers and separation documents to WGI prior to December 1 to qualify.
- 1.2 All participants of any color guard competing in any scholastic class must have approval for participation in any WGI-sanctioned event by the administration of the sponsoring school(s) or educational institution.
 - 1.2.1 Types of scholastic color guards are defined as follows:

Single School. A color guard whose total membership are students from the same school, schools that feed directly into that school, or home-schooled students that reside within the school district boundaries. The color guard shall submit the Single School Participating Master Group Agreement signed by the authorizing school principal or administrator and file with the WGI office.

Combined Schools. The purpose of the combined schools policy is to encourage participation from scholastic groups that may have limited resources while keeping the

integrity of the scholastic classes intact. Combining schools for the purpose of competitive advantage is contrary to this policy and will not be approved.

A color guard in any scholastic class may apply for approval to combine students from multiple schools within a school district under the following guidelines:

- Multiple groups within a school district may be approved to combine on a case-by-case review by WGI. In very rare cases, schools from different districts may combine if approved.
- If approved, combined school groups may be required to compete using a school district name.
- Scholastic color guards utilizing students from parochial, vocational, or charter schools, must apply for approval under combined school guidelines.
- All color guards shall submit the Combined Schools Participating Group Master Agreement signed by the district superintendent and file with the WGI office.
- Color guards applying to combine students from multiple schools within a school district must apply for approval by December 1.
- WGI will have the final determination on whether a color guard will be permitted to combine students from multiple schools. If application for combined schools is denied, the color guard has the option to either not include students from other schools or compete in an independent class.

(Curved and straight poles are acceptable; however, complete circles, squares, etc. to which material is attached are not flags. Material attached to chains, ropes or hoses are not considered flags.) Any questions on eligibility for authorized equipment should be submitted for approval by the Director of Color Guard.

- 4.3 Definitions of other allowed equipment:
