TIME TO SHINE

2024

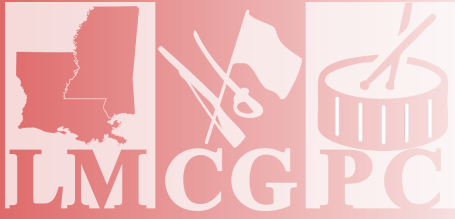

WELCOME

Dear Louisiana Mississippi Colorguard
and Percussion Family and Friends

Welcome to another remarkable gathering of our beloved community! As we come together once again, we extend our heartfelt gratitude to each and every one of you for your support and dedication to the performers and the circuit. Your commitment and encouragement uplift not only our talented participants but also the spirit of camaraderie that defines us. With your presence, we create moments of joy, inspiration, and lasting memories. Thank you for being an integral part of our journey, and here's to another season filled with unforgettable performances and cherished connections.

Warm regards,
LMCGPC Board of Directors

2024 HALL OF FAME

CORTNEY LYON

Every year, the Louisiana-Mississippi Color Guard and Percussion Circuit honors an individual that has had a lasting impact on the circuit through their service, creative impact, and dedication to the circuit and sport by inducting them into the LMCGPC Hall of Fame. The LMCGPC Hall of Fame was formed to recognize the individuals in the winter color guard, winter percussion, and winter winds activity whose extraordinary efforts and accomplishments have enhanced the LMCGPC Organization, broadened the appeal of these activities and whose lives and accomplishments serve to inspire, educate, and be role models for all those who participate in LMCGPC. The recipient of this honor is selected from a list of nominations submitted by the members of the circuit via a committee made up of Hall of Fame members and the Board of Directors. This year, we are proud to induct Ms. Cortney Lyon into the LMCGPC Hall of Fame! Ms. Lyon has been involved in the pageantry arts since kindergarten when her dance teacher put a baton in her hands! The rest, as they say, is history. Ms. Lyon is an alumna of La Grange High School, class of 1997, and McNeese State University where she earned a degree in Business Administration and was a member of Tau Beta Sigma. She was, of course, a member of the color guard in high school and college. She was selected as the captain of The Pride of McNeese Color Guard in 1998 and became the director of color guard in 2006. In fact, Ms. Lyon has been teaching color guard since the day she graduated high school. She has worked all over Southwest Louisiana, including DeQuincy High School, Sulphur High School, Sam Houston High School, LaGrange High School, Barbe High School, and McNeese State University. Concerning her work with color guards in the area, one nominator stated: "She has spent the last 20 years working in some capacity at schools in Southwest Louisiana, always working to ensure that her students have a strong technical foundation and love/respect for the sport." She founded the McNeese Blue Winter Guard in the fall of 2014. McNeese Blue Winter Guard went on to be a 6x LMCGPC medalist and 2x Senior Class Champion. Ms. Lyon has served the sport and the circuit in numerous other ways. She has judged and taught color guard camps across the states of Louisiana and Texas. She worked with the LBA Marching Band Camp as Flag and Rifle instructor and she was the guard director for three years of the LHSAA All State Spirit Team. Notably, she has served as the Treasurer of the LMCGPC Board of Directors since 2014. In that time, her diligence and consistent checks and balances have kept the circuit's treasury thriving over the course of some of the hardest years it has experienced – including the COVID19 pandemic and several devastating hurricanes. One of the nominators said this of Cortney's financial impact on the circuit: "She has played an integral part in making sure that the circuit grew all while keeping costs as low as possible for members. The positive financial status of our circuit is largely due to her persistent checks and balances." Additionally, she has served as a mentor to young instructors and performers in Southwest Louisiana. Again, one nominator said this: "Nearly every color guard instructor in the area can trace their training in some way back to Cortney Lyon's work at LaGrange, Barbe, or McNeese. She has also served as mentor to young instructors, for little to no recognition over the years. I feel that it would not be an understatement to say that Cortney's work in this area has kept the sport alive and thriving in Southwest Louisiana." Outside of color guard, she has worked in the Calcasieu Parish School Board in the library services department since 2009. Her work in library services impacts all 67 schools in the parish. She was chosen by her cat, Nugget, against her will. Ms. Lyon enjoys sitting on her porch and listening to Nugget complain about the fact that she is never home and that the neighborhood animals help themselves to the cat food. To summarize Ms. Lyon's impact, one nominator stated "Cortney embodies the true spirit of not only the LMCGPC but the pageantry world in general. There has never been a time that Cortney has been asked to do something for the good of the circuit that she has refused. She lives by the philosophy that & quote "the kids come first"

For these reasons and more, we are proud to induct MS. CORTNEY LYON INTO THE LMCGPC HALL OF FAME
